JULY 16 - 20 2017 Victoria, Canada

Sponsorship & Exhibition  
Opportunities

**The World Recreational Fishing Conference unites the global recreational fisheries community - providing a vital forum to discuss current research. Held every three years, this is the only international conference focused solely on recreational fisheries. Industry experts from around the world will travel to Victoria, Canada, to present their recent findings on management strategies, monitoring and assessment, social and economic studies, and conservation tools.**

### **About the Conference**

The 8th World Recreational Fishing Conference is being held in Victoria, British Columbia, Canada from July 16 - 20, 2017, hosted by the Freshwater Fisheries Society of BC in partnership with the Sport Fishing Institute of BC. The conference will welcome delegates to four days of conference sessions, an exhibition, evening banquet and reception. The past two conferences were held in Brazil (2014) and Germany (2011).

### **Why Sponsor the Conference?**

The conference provides a unique opportunity for brand exposure and recognition with an engaged audience. University scholars, non-government and government scientists and managers, consultants, and industry leaders in recreational fisheries will be visiting Victoria, Canada, to attend the multi-day conference. As a sponsor of the World Recreational Fishing Conference, you have the opportunity to connect with 300+ recreational fisheries professionals from upwards of 25 countries from around the world, including a large contingent from Canada, the United States and Australia.
